

## Trousers TENSION (4-WAY STRETCH GRAPHENE) (Dark Grey/Black)

BoSafety TENSION Pants - comfortable, non-restrictive work pants! These lightweight, high-quality work pants provide exceptional freedom and comfort.

**Fabric:** These pants stand out for their use of a highly elastic “4-Way Stretch” fabric, which offers exceptional flexibility without restricting movement. The Dobby weave fabric enhances airflow and breathability (Water vapor resistance test Ret = 2.8). Key areas requiring stretch and durability are reinforced with “4-Way Stretch Graphene” fabric. The knee pads are made from durable CORDURA® fabric, ensuring resistance to wear, tears, and abrasion.

### **Details:**

- Elastic band on the sides of the waistband, allowing it to extend by up to 6 cm.
- Two spacious front pockets. On the right calf, a tool pocket; on the left, a zippered pocket.
- Knee pads reinforced with CORDURA® fabric, with a special pocket for knee inserts.
- Adjustable pant length (can be extended by up to 4 cm by removing a seam).
- Two deep zippered back pockets, with zipper pulls for easy use.
- Reflective details on the sides of the knees.
- A segmented reflective strip at the bottom of the pants.

### **Suitable for:**

- Indoor and outdoor work where high visibility is not required.
