

Winter Jacket OXFORD HI-VIS (Yellow/BoNavy)

Hardshell Winter Jacket OXFORD with HI-VIS Details - An Excellent Choice for the Winter Season.

Features:

- High visibility class EN ISO 20471 Class 3.
- Waterproof and windproof work jacket.
- Bright high-visibility yellow color and reflective strips.
- Designed for men but also suitable for women.
- This jacket is perfect for the winter season.

Details:

- **Hood:** Spacious, adjustable hood, detachable with a zipper.
- **Pockets:** Two chest pockets with zippers, two large zippered pockets at the waist. A hidden pocket on the left side, closed with a zipper, near the main zipper.
- **Cuffs:** Adjustable cuffs with velcro. Additional knitted sleeve that wraps around the wrist.
- **Closure:** The jacket fastens with a zipper that opens from both the top and the bottom. The main zipper is covered with a wind-protective flap, secured by a Velcro strip for a snug fit.
- **Back:** Extended lower back for additional coverage.

Suitable for:

- Outdoor work, construction sites, roadworks, and active outdoor activities where high visibility is required.
