

Work Jacket ORLANDO2 Softshell (Orange/Black)

HI-VIS HIGH VISIBILITY JACKET ORLANDO2-C2

The **Softshell ORLANDO2 jacket** with HI-VIS details is an excellent choice for mild outdoor conditions. Made from high-quality Softshell fabric with a TPU membrane (8000mm/5000MVP) and mesh lining, this jacket is comfortable to wear. The fabric is highly elastic, allowing for unrestricted movement, water-resistant, wear-resistant, and breathable. These features make it ideal for outdoor activities, sports, and everyday use.

Features:

- **High-visibility class:** EN ISO 20471 Class 2
- **Water-resistant and windproof**
- **Highly visible color** with reflective strips
- **Designed for men but also suitable for women**
- **Layering allows for use in early autumn, spring, and even summer as a protective jacket**

Details:

- **High collar** for additional wind protection
- **Pockets:** two zippered waist pockets, one chest pocket
- **Thermoregulation:** TPU (thermoplastic polyurethane) membrane provides high water resistance and breathability
- **Elastic cuffs** for a comfortable fit
- **Zipper closure** at the front
- **Zipper pull tabs** for easy handling

Suitable for:

- Outdoor work, construction sites, roadworks, and activities requiring high visibility
- Outdoor activities such as cycling and riding a scooter
